[Robitronic Pit Safety Vest](#)

It is a good idea to be seen at your training at the racetrack, having fun with bashing around or just at your crawler excursion! Use a safety vest!

[LiFePo Receiverpacks](#)

Often the 7,4 Voltage from a LiPo Pack ist to much for receivers or servos. If you do not want to use a regulator, you can use Robitronics LiFePo Pack with 6,6 Volt directly!
