The famous EU Championship proven MCD Micro-Stud V2 Tyres are now even lighter. After extensive optimization period we reduced the overall weight from 200g to 150g. This 25% decrease helps saving 200g on all tires without compromising on handling and durability.

The new tyre comes with 2 different hardness to choose from to suit different types of track.

The order codes:

M100204R - Tyre 180 mm Micro Stud V2 Blue Soft Lightweight

M100205R - Tyre 180 mm Micro Stud V2 Blue Medium Lightweight
