MCD RR5 Factory Team “EC’13” Edition

he long wait is finally over, the RR5 EC’13 is here! When will you be able to purchase this racing machine? At which price? And which extras will be included? Here are your answers!

“When?”

First things first: The MCD RR5 Factory Team EC’13 will be available in a LIMITED EDITION of 100 car kits for preorder. Preordered kits will leave MCD’s factory on

Thursday, 26th of September at around 13:30.

This means, we will get them in our hands about one week later, so you can have your MCD RR5 Factory Team EC'13 LIMITED EDITION at most one week afterwards – that is the 10th of October. If you can't get ready for next year's season in time, that's not our fault then... ;)

“Okay, so how much is it?”

As with everything in life that sports supreme quality, there is a certain price tag attached. MCD's next generation winner is no exception here. Made from the finest, most race-proven materials, you'll get everything in the box, that's required for victory, at a price of

M00513001 - Race Runner 5 Factory Team EC13

MSRP 1.649,- €

M00513002 - Race Runner 5 Factory Team EC13 "Limited"

MSRP 1.999,-€

To tell you honestly: We didn't try to compete with low-end offers here. We're focussed on competing and winning right on the track. So, if you're a distinguished racer too, you'll understand the true price/performance ratio of this beast.

“What’s included?”

The first batch of 100 of the RR5 Factory Team EC'13 will be “Limited Editions”. So whether you place a preorder yourself or through your dealer now, you'll get a RR5 EC'13 Limited Edition. Afterwards, any RR5 EC'13 kit shipped will be a regular Factory Team Edition. So, let's have a look at the kit contents!
