

MCD X5 Rally - soon Available

11/30/2015 14:13 by admin (comments: 0) MCD

We proudly reveal the X5 Rally built on the new proven 5 series MCD 4WD chassis. X5 is the successor of our famous X4 Rally that has proven itself on the race tracks while building a unique fan profile. The X5 carries the same finest accessories & parts with the super-sport XS-5 such as the rear diffuser, rear wing, side wings, front bumper. It will also have a super rigid roll-cage designed particularly for the X5 body which increases the robustness of the car.

The new X5 Rally will be available in FT(Factory Team) and Competition versions.

X5 Rally Order Codes:

X5 Rally Competition Rolling Chassis: M00522001

X5 Rally Factory Team Spec: M00523001

Please note that the decals on photos are prototype and may be subject to minor changes.
