Robitronic Dirtbags

After a day at the racetrack, the modelcar is usually quite dirty. Keep your luggage space or back seat clean and dry up with Dirtbags.

The Dirtbag is a leak-proof bag with elastic edge that can be adjusted to fit your model car. Through the strap with Velcro the model with the Dirtbag is easy to carry.

The synthetic material is easy to clean when necessary with water or soap suds.

Due to the practical dimensions, the Dirtbags for other applications (transport tires...) practically!
