[MCD RR5 Ultimate Rolling Chassis](#)

We proudly present our top of the line Racing Spec Buggy the RR5 CF Ultimate. The new RR5 CF Ultimate carries all of the alloy upgrade parts that are developed by the MCD Racing Engineering Department. The parts were used and tested by MCD Racing Team Drivers during many races including the Euro Championships.

All of the alloy upgrade parts are CNC-machined from 7075 billet Alloy and they are lighter than the composite versions. The alloy parts are hard coated in MCD gun metal color with laser engraved markings.

[SKYRC new Charger for Single Cell Batteries](#)

The World's Most Joyful Round Battery Charger. The creation of this product arose from the desire to finally have a charger as versatile, accurate and powerful as a SkyRC hobby charger but tailored to a sweet battery tray for cylindrical single cell batteries; no more hassle with battery holders, fiddly wiring, clamps or similar DIY solutions.
